VILLA BLANCHE Grenache

Exquisitely pale pink with lovely rose-petal reflections. The nose is delicately floral, a bouquet of white flowers and roses, with papaya and pomegranate, finishing on green pear and fennel. In the mouth it is deliciously fruity, supple, and refreshing, with crisp cherry and white peach, citrus fruit, and pomegranate, finishing on persistent notes of almond, flint, and aniseed. A superbly balanced rosé destined to give pleasure as an aperitif or at table.

Terroir

Clay-limestone. Typically Mediterranean climate, warm and sunny with light rainfall. Warm winters, hot summers and regular periods of dry weather mean that the grapes ripen perfectly.

Vinification

The grapes are picked at night in two stages. A first, early harvest at the beginning of August to obtain freshness, followed by a second 15 days to a month later to obtain a more concentrated profile and more varietal, Mediterranean aromas. Total destemming is followed by maceration for 6 hours at 5°C. Fermentation is thermo-regulated at 15°C. Fine lees are added during pre-fermentation racking to give structural complexity to the palate. No malolactic fermentation to preserve the wine's freshness.

Élevage

Stainless steel tank.
